A Morte

12

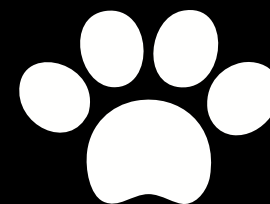

Uma navalha

um corte

surge o grito

vem a morte

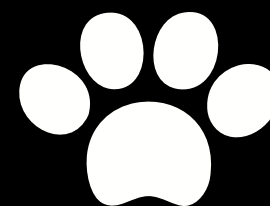

Segue a vida

segue sem sorte

não existem horizontes

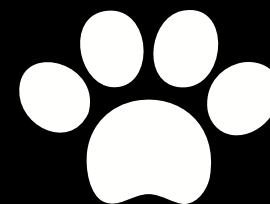

e a única certeza é a morte

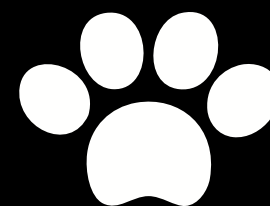

Corre a estrada
cala, come dorme
vive a loucura
pois o princípio é a morte

A navalha na carne
o profundo e solitário corte
calou-se o grito
pois já chegou a morte

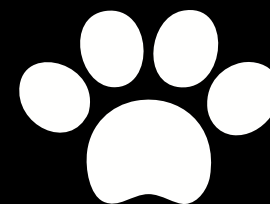

O terror de viver

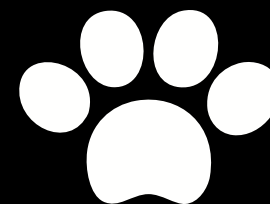

17

O homem vive
enterrado na lama
da existência
da não existência

No tempo

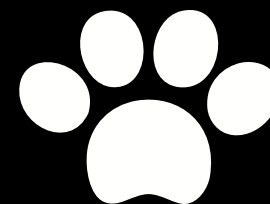

inexistente

na ilusão

quase não pensa

não usa a razão

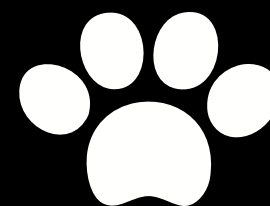

O estado caótico

o tempo o vento

trans tempo

de see

entre lá ç a do

laçado

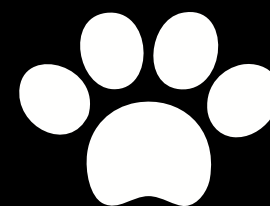

lançado

no mundo

sub mundo

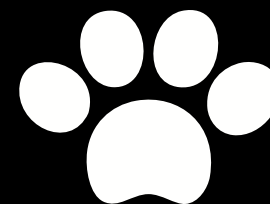

no terror que é viver

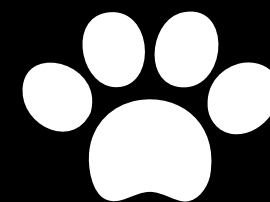

Poema da vida

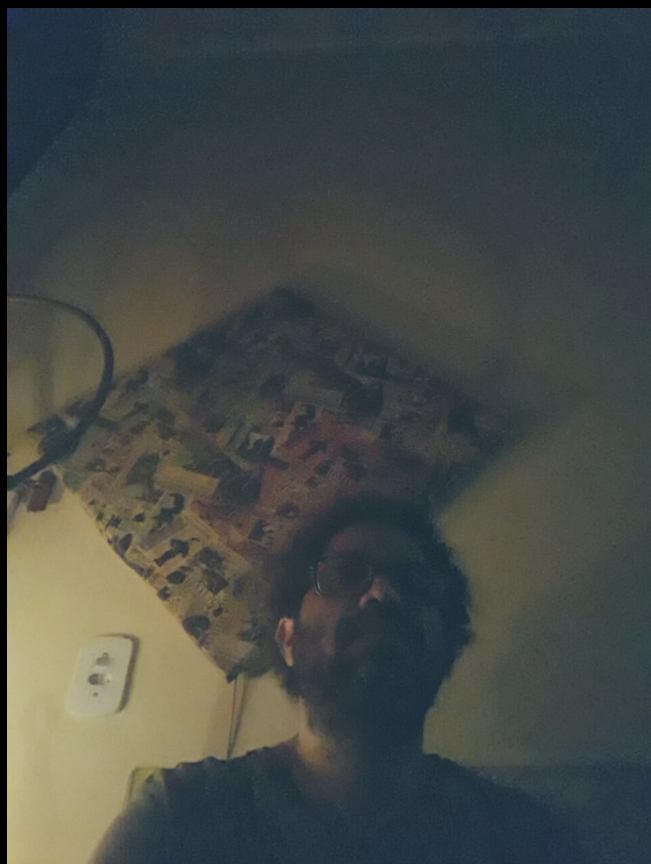

A vida é a plenitude
do ato
simples e sublime
de amar
